**Dear Dr. Ackerman:**

**I write you in regards to manuscript # 329-18.R1 entitled "Teledentistry: It's all about access" which you submitted to The Journal of the American Dental Association.**

**Revised manuscripts submitted for consideration are again sent to reviewers for critical evaluation and comment. The comments of the reviewer(s) are included at the bottom of this letter. Although we appreciate the effort you put into reworking your manuscript, we regret that your manuscript has been rejected.**

**Thank you for considering The Journal of the American Dental Association for the publication of your research. I hope the outcome of this specific submission will not discourage you from the submission of future manuscripts.**

**Respectfully,  
Dr. Michael Glick  
Editor, The Journal of the American Dental Association**
